

Walk Routes & Information

Welcome to the Third Annual Wendy's Walk for Kids at the Dick's Sporting Goods Open. Please proceed to the "Family Tent" to visit our charity organizations and participate in some children's activities, such as face painting and balloon twisting, while you await the start of the Walk. At 3:45pm, we will proceed from the Family Tent to the starting line of the Walk for a 4:00pm departure.

We are happy to offer THREE beautiful walk routes through the course:

YELLOW ROUTE (shortest route, 1 mile)

Start at the 1st & 10th tee with the **blue** & **red** routes. Follow the **yellow** shoe route to the right. You will meet up with the blue & red routes at the 8th tee. Follow the **blue/red/ yellow** shoe route until you reach the 9th hole. You will then follow the **yellow** shoe to the right. The walk ends at the Family Tent.

RED ROUTE (1 ½ miles)

Start at the 1st & 10th tee with the **blue** and **yellow** routes. Follow the **blue/red** shoe route until you reach the 9th hole/17th fairway. You will then follow the **red** shoe to the right and up alongside the 17th and 18th. The walk ends at the 18th green (where the hole is). Please find a seat in the grass around the green ("in the bowl") and watch the final golfers come in along with our **blue** route walkers. The Golf Channel is looking forward to seeing a "sea of red shirts" watching the final two golfers.

BLUE ROUTE (longer route, 2 miles)

Start at the 1st & 10th tee with the **red** and **yellow** routes. Follow the **blue/red** shoe route until you reach the 9th hole/17th fairway. You will then follow the **blue** shoe to the left.

- If the timing works out as planned, you will arrive at the 15th hole watching the last two golfers of the day. Once they tee off, they will "drop the ropes" and you will be allowed to walk on the fairway (grass) following the golfers. The Golf Channel is looking forward to seeing a "sea of red shirts" watching the final two golfers.
- If not, continue to follow the **blue** shoes until the 18th hole, where the **blue** route re-joins the **red** route. The walk ends at the 18th hole.

Volunteers (wearing Wendy's Walk for Kids Carolina blue t-shirts) are posted throughout the route at critical turning points. They will be able to help you find your way. If you have any questions, you can also look for the Dick's Sporting Goods Open (DSGO) volunteers who are wearing purple DSGO golf shirts.

Please respect the following when walking the golf course:

- **Always observe the "Quiet Please" Placards when they are raised!** You will see them on the course AND throughout our walk line.
- **Be alert for sudden stops.** The walk will stop and start frequently as play is going on.
- **Please refrain from using cellular phones, beepers, radios and other like devices.**
